

The ASBA Silent Auction Needs Your Donations

The Silent Auction will be held before the Annual Conference Banquet on Saturday Evening October 20th 2012. We urge you to make a donation. The proceeds support ASBA’s “Artist & Education Grants” and publication of “The Botanical Artist” journal. Both are extremely vital to ASBA’s mission. All gifts should be new, attractively presented and have a botanical theme. One of the most generous contributions is original artwork however prints are also appreciated. Both should be backed by foam board and include a clear protective covering. Other popular items include: books, handmade crafts, giftware, jewelry, stationery, scarves, art supplies and children’s items. Again all items should have an association with botanical art or plants. Remember the majority of attendees travel by plane, so size and shape are important.

You can be part of the conference even if you can’t attend by making a donation to the Silent Auction.

Please Submit Your Donation Information by September 24th

Items brought to the conference that miss this deadline will be held over for next year’s Silent Auction.

Email, Snail Mail or call Lynne Railsback with the following information:
