

## American Society of Botanical Artists

### Volunteer Opportunity Guidelines

Volunteer opportunities may be posted on the ASBA Website by ASBA staff, executive committee members, board members, committee chairs, ASBA Chapters, institutional & individual members.

Volunteer efforts being solicited by the online Volunteer Opportunity postings must support the mission of ASBA to *"promote public awareness of contemporary botanical art, to honor its traditions and to further its development"*.

To post a volunteer opportunity, you will need the following information:

- Description of volunteer help required
- Start date
- End date
- Time commitment
- Skills needed
- Location
- Whether volunteer needs to be an ASBA member
- Who to contact (name, email and/or phone)

Click on the "Submit a Volunteer Opportunity" link on the Volunteer Opportunity page of the website, fill out the form and click "Save" to submit your opportunity.

If you have questions, please contact the Webmaster at [webmaster@asba-art.org](mailto:webmaster@asba-art.org)
